Dear Adrian,

I wanted to take a moment to thank CG Commercial for your work with our organization over the past year. It is nice to be able to have a trusted and professional finance team to turn to when the hospital has a project.

CG provides an annual lease line of credit for our organization that has been both cost effective and efficient. In fact, you have insured our various vendors have been paid in a timely manner and provided an easy flow of paperwork.

I am excited about continuing our relationship and look forward to working with you on projects in the future. I would also not hesitate to recommend CG Commercial Finance to anybody who was looking for equipment financing.

Best Regards,

Renee Mitzel
Director, Supply Chain
