To Whom It May Concern:

I wanted to take a moment to thank the CG Commercial Finance team for the results you achieved for my company.

Adam, Scott and Kevin and the rest of the team CG Commercial Finance at have been professional, responsive and courteous in the leasing of our ERP project for ~\$1.8MM. The team was able to include most of the "soft costs" of the ERP implementation including developer's invoices for time and software engineering costs.

I look forward to continuing the relationship for any other challenging asset financing or leasing needs we may have.

Sincerely,

Bill Yasinski, Controller  
Lockwood International, Inc.
