To Whom It May Concern:

Thank you for the fine job that Adam Bednar and CG Commercial Finance (CG) did setting up the lease program for our forklifts and machine tools. CG spent the time to understand our corporate organization, requirements and German parent company financials. As well, CG provided the most competitive rate and quickly turned around vendor funding.

CG successfully worked with us in understanding our U.S. entity's unaudited financials. In our experience, many lenders and banks shy away from a transaction unless they are financing a company with audited financials.

We are excited about continuing our relationship and look forward to working with CG on our future needs as a preferred Bendix lease provider.

Sincerely,

Brian Gigliotti- Indirect Purchasing Manager
